Parent’s Day 2020
Due to COVID-19, we were not able to celebrate our annual Parent’s Day altogether, however we were able to create a drive-thru in which seniors and families can pick up their goodies and lunch. As we continue forth with practicing social distancing, our young volunteers were also able to make these handcrafted paper flowers with special notes to cheer up our home-bound seniors!

Thank you to everyone who was able to participate in this event as well as our volunteers who helped to deliver the food to our home bound seniors. Because of you all, we were able to make this event happen without a doubt!
