KACS will be starting quarterly newsletters starting from this year! We hope we can reach out to those who do not know too much about KACS or would just like more information about KACS.

Coronavirus (COVID-19) Update & Info.

Dear our community members,
During this time of uncertainty, the health and safety of you and your family members are our highest priority. We are closely monitoring the rapidly evolving impact of COVID-19 and are developing plans of action to support you and our community. If you can help our community and families who are in the greatest needs, please contact Eunice Chun, echun012@kacssv.org, to find ways to help the most vulnerable during this time.

Please stay healthy and safe.

For the latest facts and guideline related to COVID-19, please check the CDC website (www.cdc.gov/coronavirus) and the County of Santa Clara Public Health Department’s website (www.sccphd.org/coronavirus).

Thank you.

Sincerely,
Korean American Community Services
APRIL 1ST IS CENSUS DAY!
Make sure to take the survey online or call the toll number to get started on Census 2020!

2020's First Full Moon Festival

Our First Full Moon Festival on February 8th, 2020 was a success! KACS would like to thank everyone who was able to come out in such a time where most people would want to stay in!

We would also like to thank our volunteers from Santa Clara University, San Jose State University, as well as Oakgrove High School for joining us on this special event and helping us prepare as well! We hope you all can come back again to join us for more events in this year to come.
New Voting Experience for 2020 Election & 2020 Census!

We would also like to thank everyone that came to this event! We were able to get our KACS members to get educated on both the Voter's Choice Act Policy as well this year's 2020 Census! During this workshop, we were able to show our members what WE can do for Census and enabled them to share out how they feel about this topic as a whole. Let's Census 2020!
